Friends, and they are legion, of Jack Gottenberg are rejoicing at his continued improvement. Genial Jack had been very ill at the University Hospital in San Francisco for a fortnight, and on Friday night of last week was brought to his home in this city.

Mr. and Mrs. L. H. Green were host and hostess to a jolly party of friends at their hospitable home on Easter Sunday. Their guests comprised Misses Kitty Milligen and Martha Hart of Lakeville, Misses Kate and Mae Watt and Messrs. Jack Watt and Frank Furey of Oakland.

Mr. and Mrs. Frank Burke and little daughter, Mr. and Mrs. Jack Smith (nee Miss Leonora Burke), Miss Margaret and Mr. Thos. Burke came up from San Francisco Sunday for a few hours' sojourn. The Burke family was numbered among the most highly respected and pioneer residents of Sonoma, and a host of friends will learn with pleasure that Mrs. Burke and her daughters are arranging to spend a part of the summer here, occupying their town cottage.

Wednesday night of next week, at Union Hall, will be inaugurated a series of fortnightly dances, under the management of Mr. and Mrs. Frank Koenig Dance lovers may anticipate a thoroughly good time, as excellent music is to be provided by the Pauli-Gottenberg Orchestra and Mr. Wm Von Hacht will officiate as floor manager. Admission, twenty-five cents.

The ladies of the Congregational Church have arranged with Messrs. Collins and Mohr for benefit entertainments for the church, to be given at the Don Theatre, Friday and Saturday nights, May 8th and 9th. In connection with several new and attractive reels of pictures, a number of other excellent features will be arranged, in which clever local talent will entertain. Mrs. Carrie Burlingame has in hand these evenings, and has yet to make a failure of any undertaking requiring dramatic ability or direction.

Mr. and Mrs. Wm. Ogg (nee Miss Florence Campbell), whose home is in the Hawaiian Islands, visited at the home of the lady's father, B. F. Campbell, Wednesday of this week, departing Thursday. Mrs. Jack Brown (nee Miss Ella Englund) returned to her home in Healdsburg, Monday afternoon, having enjoyed a week-end visit with relatives and many Sonoma friends.

Miss Dorothy Rayner departed for her home in San Francisco Monday afternoon. During her stay in Sonoma, Miss Rayner was the guest of Mrs. Pauline McMullin, and, too, for a time at Boyes' Springs.

Miss Nancy Bates, one of our popular girls, came up from the Bay City to spend Easter at home.

William Warner, now in the employ of the N. W. P. R. R Co., was in town Sunday shaking hands with his host of old time friends.

Tuesday afternoon of next week the ladies of St. Barbara's Guild will be entertained by Mrs. H. H. Eaton, at her Sonoma Vista home.

Hon. Robt. A. Poppe attended a meeting of the Board of Directors of the State Home for the Feeble-Minded, at Eldridge, Tuesday of this week.

Bismark Bruck, chairman of the Napa County Board of Supervisors, was entertained by Dr. A. M. Thomsen in Sonoma last Sunday. Mr. Bruck is a connection, by marriage, of Mrs. Lulu V. Emparan.

Drs. A. M. Thomsen and E. L. Paramour, Mayor M. E. Cummings and Attorney Frank Sprague spent Saturday in Napa, in the interest of Black Point cut-off.

Miss Letty Watt, of Oakland, has arranged to remain for several months in Sonoma and assist Mrs. L. H. Green in the conduct of the Broadway Sanitarium. Miss Watt is a former popular Sonoma young lady, a splendidly capable and successful graduate nurse, whose service will assist in the maintenance of the efficiency record established by Mrs. Green.

Mesdames C. L. Whitmore and B. Bordsen jointly entertained the Congregational Ladies' Aid Society on Tuesday afternoon of this week, at the home of the latter. The ladies had added to the inviting interior of the Bordsen home by the dainty arrangement of a wealth of spring blossoms, and the hospitable hostesses successfully provided an afternoon of real pleasure for their guests.

Thursday aftrnoon, at her pretty suburban home below town, Mrs. R. L. Watt entertained the ladies of the Bridge Club. Roses in profusion and effective arrangement adorned living and dining rooms. Auction Bridge was the game in which interest centered, at the four tables, the hours passing all too rapidly for the interested card experts. The honor of championship fell to the happy lot of Mrs. Pauline McMullin, the fortunate winner receiving as trophy a pearl-handled manicure scissors The most delicious refreshments were served, the chicken salad being especially par excellence. Besides voting their hostess delightful as an entertainer, her guests paid Mrs. Watt the compliment of exceptional skill in the culinary line.

The Pauli-Gottenberg Orchestra will provide music for the dance to be given under the auspices of the Woman's Club, in Chauvet Hall, Glen Ellen, tonight. The ladies of our enterprising sister city have the faculty of arranging the most pleasurable and successful affairs, hence a good time on this occasion is anticipated. Quite a number of Sonomaites are planning to attend.

Mayor M. E. Cummings and John Picetti leave this morning, en route to Los Angeles, to attend the Grand Lodge, N. S. G. W., as delegates from Sonoma Parlor. Our Native Sons chose "live wires" as representatives, and may rest assured that Sonoma Parlor will receive due recognition. The gentlemen will be absent about two weeks.

Thursday night of next week an entertainment and dance is to be given under the auspices of the Odd Fellows and Rebekahs, at Odd Fellows' Hall. The event is given to commemorate the ninety-fifth anniversary of the founding of Odd Fellowship in America, and will be attended by members only of the lodges, with exception to be made, however, in favor of escorts and lady friends of the gentlemen members.

The announcement of the recent marriage of Mrs. Mollie R. Taylor and Mr. Arthur Mosso, proprietor of Sonoma Grove Resort, came as a surprise to their many friends in this valley and in the metropolis, where both are well and favorably known. The wedding was a quiet event. The newly-wedded couple will reside at La Lomita, the beautiful suburban home of the bride. The lucky groom will continue to manage his popular resort, to which many improvements will be added during the coming summer. The Index-Tribune unites with a host of friends in extending cordial congratulations to Mr. and Mrs. Mosso.

The Fancy Dress Party given under the auspices of St. Barbara's Guild, at Union Hall, Tuesday evening, was a delightful affair, as are all social events managed by the ladies of the Guild. No detail that will add to completeness of arrangement is neglected, and the pleasure seeking public appreciate the efforts of the ladies to entertain in novel manner. The affair of Tuesday night was largely attended, and while "fancy" dresses were conspicuous by their absence, yet so charmingly were the ladies gowned that one felt more fanciful costuming could not add to their attractiveness. Under the direction of Mr. Frederick T. Duhring, as floor manager, dancing was enjoyed until after midnight. Splendid music was provided by the Knolle-Lynch Orchestra. Appetizing refreshments were served by Mesdames F. T. Duhring and L. Breitenbach, while at the lemonade table Mrs. Ralph Hotz and Miss Meta Stofen presided.

Yesterday's was social afternoon of the Sonoma Valley Woman's Club, which served as the magnet to gather a large assemblage of ladies. The charm and graciousness of Mrs. Pauline McMullin, as hostess, on this occasion, made of the affair an unusually pleasurable one. While no elaborate scheme of decoration was attempted, the Schocken parlors were enhanced by clusters of exquisite roses, and the many handsome spring gowns and "fetching" Easter hats shown by the guests were greatly admired. The feature of the afternoon was the very excellent paper, presented by Mrs. B. F. Walker. The lady chose for her subject, "The Battle of Lexington," handling it in graphic, interesting style. The patriotic spirit, resulting from the literary effort of Mrs. Walker, was carried out by the rendition of national songs, in which, as soloist, the rich, expressive voice of Mrs. Lulu V. Emparan was heard to advantage and with delight. The serving of delicious refreshments contributed to a most pleasantly-to-be-remembered social event.

RESULTS OF CITY ELECTION

McDevitt, Von Hacht and Dal Poggetto Elected Trustees --Wm. Clewe City Treasurer

Election day passed off quietly--there being no fight on, voters had had the restful assurance that they would not be "stood up" by leaders of any faction. Save for the going to and coming from the polls by voters, there was no evidence that the day was one of events.

The announcement of the candidacy of S. P. Woodworth, on the eve of election, created surprise and, very naturally, considerable conjecture. Whatever object those who induced Mr. Woodworth to enter the race had in view, was matter of little concern and no anxiety to any voter. Mr Woodworth stands high in the estimation of Sonoma residents. Broad minded, of calm, dispassionate judgment, he would have proven an excellent servitor of the people. Had his name been on the ticket, his vote would have been greatly in excess of that received.

The friends of Mr. Lutgens, regretting his defeat, believe that his strength was weakened by the candidacy of Mr. Woodworth. Both gentlemen drew, to a great extent, from the same following: a part of which pinning unyielding faith to two of the other three aspirants, resulted in defeat for the former

The re-election of Mr. Dal Pogetto was a foregone conclusion. The splendid, conscientious service rendered his constituents is recognized and appreciated, as was evidenced at the polls on Monday last.

The election of Chas. McDevitt and Wm Von Hacht had been anticipated from the outset. Level-headed, capable business men, conversant with the will of its people and needs of the town, Messrs. McDevitt and Von Hacht will achieve records for competency as city solons.

With the addition of the newly-elected trustees to the hold-over members of the Board—Messrs Geo. Breitenbach and Claude Johnson—the tax-paver has every reason to feel assured his interests are in the hands of trustworthy, progressive men. Under the new administration, Sonoma will continue to advance and prosper.

The re-election of Wm. Clewe, as city treasurer, was merited. He has dischargad the duties incumbent upon his position with perfect accuracy, hence the recognition of his trustworthiness on the part of voters. Mr Clewe's opponent, Fred Bulotti, was a close second in the race, his friends rolling up a handsome vote for him.

Dr. H. W. Gottenberg was elected to succeed himself. The Doctor's capability and popularity seems to render him impervious to defeat, since no one had the courage to run against him.

The results were as follows:

For city trustees: Charles McDevitt, 190; Wm. Von Hact, 187; Charles Dal Pogetto, 179; Henry Lutgens, 110, and S. P. Woodworth, 92.

Dr. H. W. Gottenberg, city clerk, 212.

For city treasurer: Wm. Clewe, 146; F. Bulotti, 131.

As to whom will have bestowed upon him the honor of mayor, is yet to be decided. That the gentleman who hands the gavel to his successor has given to the municipality service of highest value is conceded, unanimously, by his constituents, who sincerely regret his outgoing from office. Mr. Cummings has directed with that perfect understanding and tactfulness that but few men possess. He has presided with thoughtful intelligence and been fearless, conscientious and untiring in his official capacity.

Opera House To Be Built.

Monday last, C. J. Wilson, the well-known San Francisco theatrical architect, came up for the purpose of submitting to Mr. John Picetti plans for the opera house in contemplation of erection. The plans were accepted by Mr. Picetti and the work of construction will be commenced as soon as a suitable site has been secured. Two or three possible sites are being considered, but if not available, the theatre will be located on the Picetti property, on Napa street.

The opera house will be modern in every respect, with spacious stage and complete scenic properties. The seating capacity will be between five and eight hundred, including a gallery.

This will certainly be a splendid improvement, and it is to be hoped that the venture will prove a financial success. Mr. Picetti is one of Sonoma's most public-spirited citizens, active and progressive in all that benefits and brings to the fore his home town.

A noteworthy fact, too, is that our city will acquire desirable residents in the family of Mr. O. T. Williams. This gentleman is to have charge of the motion pictures.

HIGH SCHOOL NOTES

Please excuse brevity of notes this week. Cicero spent too much time thinking of the vacation which we have next week. Teachers Institute is going to be held in Santa Rosa next week and all the schools in the county will be closed. In the words of a freshmen. "The finest thing that happened since Christmas."

The representative of the Keystone Picture Company paid us a business visit during the fore part of the week for the purpo e of selling us some educational motion pictures. Although Cicero has not been abl to get any inside information from a realible source, the rumors are that a picture machine will be installed in the school and educational films shown. This will be a great addition to the school and make it more interesting for the students. They will see things done then as well as read about them.

To look at us no one would take us for a relijous bunch, but it was suprising to see how many seats were empty Thursday and Friday morning.

Governor Johnson has declared Saturday. April 18th, Fire Prevention Day. Appropriate exercises were held by the students yesterday, (Friday).

CICERO

Baseball Sunday

"One good game" was the unanimous verdict of that "pulled off" at the Sonoma Baseball Park last Sunday. The competing nines were Kenwood and Sonoma, and while the visitors struggled hard and well for supremacy, yet the Sonoma team, under the skillful management of Charles McDevitt, and clever captaincy of Ralph Evans made a fine showing, outpointing their opponents at every stage of the game. A large crowd of fans and lovers of the wholesome sport were enthusiastic spectators. The score was four to one in favor of our boys. The same teams will measure skill at Boyes' Springs tomorrow afternoon. A fine game is anticipated.

Death of John Peters

Fred Peters, son of Henry Peters, an old and respected resident of El Verano, was killed by a train, last Wednesday morning, at Eureka. The young man lived with his father for many years at El Verano, and a host of friends will hear of his shocking death with deep regret,

BEAR FLAG DAY CEREMONIES

Dedication of Monument and Old Mission--Spectacular Pageant—Brilliant Fireworks and Illuminations

At the meeting, Tuesday night of Sonoma Parlor, N. S. G. W., eloquence and enthusiasm prevailed in marked degree. June 13th and 14th will be "red letter" days in the annals of historic Old Sonoma, when the ceremonies of unveiling and dedicating the Bear Flag Monument will be attended with all the display of patriotism that California's sons offer in tribute to the flag they reverence.

The various committees have not been apathetic, but to a man are sparing neither time nor energy in arranging for the big event. There is work for everyone, and the boys realizing the fact are up and doing. The parade promises to be a splendid spectacular feature. Many organizations have been heard from, including police forces, military companies, N. S. G. W. drill teams, drum corps and several fine bands signifying their intention of being in line. Beautiful floats will add to the splendor of the pageant. A number of prizes will be given. Note this fact, ladies and gentlemen, and "get busy."

Sonoma Parlor Native Sons will represent the coming of California pioneers. Mounted and appropriately costumed, "our boys" will be decidedly picturesque.

The races bid fair to be the best ever held, and that means "going some." Joe Ryan promises a fine string of speedy horses, and may be seen daily handling the ribbons behind a splendid pacer or trotter. The Sonoma Valley Driving Club has the track in splendid shape, and good purses will insure the entering of fine horses.

Arrangements for the dedicatory services of the Old Mission have been entrusted to Rev. J. F. Comerford. The impressive services are to be held Sunday morning. High Mass, with Bishop Hanna as celebrant, will be solemnized, and for which a fine choir will render beautiful music.

Members of the Young Men's Institute are coming from all parts of California to be present when Mission de Solano becomes a sacred as well as historic edifice.

In the arrangement of entertainment, dance lovers will be well provided for. A large platform is to be laid in the plaza, and good music furnished. Saturday night a grand ball will be given in Union Hall.

A fine display of fireworks will be the main attraction for those who prefer to remain out-of-doors. These, coupled with the beautiful plaza and street illuminations, will render the night a delight.

It is the intention of the Transportation Committee to confer with the Railway Company securing, if possible, motor car service between Sonoma and Glen Ellen, thus affording visitors an opportunity of visiting the various resorts.

It but remains now for the residents of Sonoma Valley to co-operate with the Native Sons and use every endeavor to insure the success of this gigantic undertaking.

Brutal Assault.

Pedro del Farra was the victim of severe injuries, inflicted by W. W. Fowler and Jack Arata last Sunday afternoon. The three men, between whom bitter feeling had existed for some time, got into an altercation, in the grounds back of the Old Mission, del Farra being the unfortunate object of the combined brute strength of his companions. After inflicting a severe cut over the eye, breaking a rib and other minor injuries, Fowler and Arata bound their victim, hands and feet, and left him in suffering helplessness.

With difficulty, the injured man finally succeeded in freeing himself of his bonds, and, finding Officer Ryan absent, appealed to Justice Campbell, who issued warrants for the arrest of the offenders on Mr. Ryan's return, and about eleven o'clock the men were taken into custody.

Fowler and Arata appeared before Judge Campbell on Tuesday forenoon, pleading guilty to battery. Fowler was sentenced to forty days in the county jail, without the alternative of fine, and Arata ten days or twenty dollars fine.

While we believe that justice should be tempered with mercy, yet in this case there appears no extenuating circumstance. The assault was viciously brutal, doubly so because of the advanced age of the hapless victim. Months rather than days, should have been the penalty meted out.

Improvements Under Way

Many improvements are under way in Sonoma, and in various parts of town workmen are busy adding to the attractiveness and thrifty appearance of homes and places of business. Henry Castignasso has started to remodel the front of his building on Broadway. It is expected that the work will be finished next week, when the building will be occupied by the Maffei Brothers' butcher business. The storeroom vacated by these gentlemen will be taken possession of by Nordstrom & Bordsen, their extensive trade demanding enlarged quarters.

State Wide Prohibition for California Gets a Set Back.

THE frenzy of "reform" which set in a few years ago in this State got a serious set back in the elections held in the various municipalities of Northern, Central and Southern California last Tuesday. The anti-liquor element determined to work all the mischief possible by creating discord and ill-feeling in their various sections sought through the Local Option Law to close the saloons and make their towns dry through the medium of the ballot and with the aid of that new factor in State politics—The Woman's Vote. The fanatical and hypocritical reformers, however, got hoist on their own petard, for most of the towns and cities where the "wets" and "drys" battled for supremacy voted to remain in the "wet" column and in many cases cities that had voted "dry" two or more years ago turned right around and voted just the opposite at Tuesday's elections. These latter had got all they wanted of anti-liquor reform with its high taxes, a cessation of improvements and general business stagnation for their previous folly in listening to the frenzied arguments of reformers who needed to be reformed themselves. In other words, the voters in these dry towns came to their sense and voted down the unfair and ruinous "dry" proposition.

This set back bodes no good to the fanatical Prohibitionists of California who have been boasting the past year that they would have State wide prohibition in California after the general election on November 3rd.

Taking the "wet" and "dry" contests in last Tuesday's elections which were held in various parts of the State as a criterion we feel safe in assuming that State wide prohibition will receive its quietus on November 3rd next by not less than a 5 to 1 vote against the infamous measure.

BUENA VISTA ITEMS

Our popular mayor, "Fatty" Shaefer, complains of having lost fourteen poun s of weight through plowing vineyard. When last seen, he was coaxing his horse along with a cabbage-leaf, while George, his able assistant, tried to push the plow with the handles. Say, Jack, making wine grow is worse than drinking it

Mr. John Gross, cellarmaster at the Gundlach-Bundschu wine cellar, and Karl Baltisberger, have put up bachelor quarters at the Rambo tract. That explains the smell of burning garlic around this town.

A day after their weekly practice lesson, a member of the Buena Vista Quartet asked his neighbor if he minded the noise. The latter thought it wasn't as bad as the "moohing" as one of his other neighbor's cow. Some music lover, believe muh!

Shovel Haner, the thoroughbred stave-slapper, hasn't been heard of this week. Too busy fixing leaks, we suppose.

Mr. P. Bill, ranch boss of the Gundlach-Bundschu Wine Co., is putting in some new-fangled graftings at the government's experimental station. We hear that he is a "cracker-jack" at this kind of work.

The fair weather of last Sunday brought up quite a bunch of homeseekers. Everybody is trying to locate around here. There's a reason.

Our mayor is working on plans to annex Sonoma to our town, calling it Greater Bone-Vista. That's a whooper, Jack.

Here is the latest news: Our esteemed stave-slapper met with a fearful accident. While riding a bicycle, it (the bicycle) collapsed. "Shovel" as not hurt very much. As for his bronco, he thinks that, by putting in a new frame and a couple of new wheels, it will be as good as new again. You have our heartfelt sympathy, "Shovel."

El Verano was well represented at the meeting of the Board of Trustees, in Sonoma, Monday evening. Among others were "Senator Jim" Baines, Emmet Mullen, Larry Larsen, Henry Baines and Walter Poulsen. The "boys" were intensely interested in the proceedings, and most laudatory in commenting on the ability and eloquence of Attorney Frank Sprague.

The Index-Tribune was favored with a call, Thursday afternoon, from the well-known Santa Rosan, Victor Piezzi, and brother-in-law. W. D. Wiley, who is a prominent Green Valley farmer. Mr. Wiley has announced his candidacy for the office of sheriff, and stands a good chance of favorable treatment by his Republican friends. He has an influential following, and is a man of recognized worth.

Eugene Oppliger, our reliable jeweller, has purchased the barber shop outfit of F. J. Smith, in order to secure a more suitable location for his own business. The storeroom will be put in shape, and Mr. Oppliger hopes to be in his new quarters next week. Mr. Smith and his family have already taken their departure, and will locate in either Sacramento or Napa. The Index-Tribune regrets the departure of this estimable family from our midst.

The Easter services in the various churches of Sonona were splendidly impressive, suitable to the day on which is glorified a Resurrected Christ. Each sacred edifice was beautifully decorated, and a special program of musical numbers rendered. Eloquent sermons were enjoyed by the large congregations assembled, for the wonderful theme of the triumph over death affords scope for the most brilliant oratory. The services at the Episcopal Church were attended in a body by the members of Masonic Lodge.

Congregational Church

The idea that we will work upon in the Sunday morning service at 11 a. m. will be that the man who seeks to be a Christian by the mere motion of repression will not attain the ends he is seeking and will not know what the sweets of serving God are. You may stop swearing and cheating and lying and stealing and every naughty thing, but that does not make you a Christian. It would be a good thing for everyone to do and men would praise you for keeping morally clean, but morality is not Christianity. Some men may make a better record than the Christian and not have the least trait of the following of Jesus. There is more hope for the soiled and ragged baby of the sand heap than for the most perfect statue. The one is a growing thing and the other is man made and stationary. I would rather be a growing thing than a beautiful hitching post. Let the people learn and go where new things and thoughts can come to them. The new council will soon qualify. Let them lead the town to Sunday School for it is a grand place.

The Y. P. S. C. E, will meet at 6:30 p. m., in the church parlors.

Evening service at 7:30 p. m,

We will give one of God's commandments. If you can't keep it without dying you will find it more profftable to die. You cannot fool God. You cannot cheat him. Some men will say: "I cannot obey the commandments for I must have Sunday morning." Just remember that an excuse is a confession of sin that does not count to your sanctification. You did not give it in sorrow for sin. The ethics that does not want to recognize and exalt God is not what God commands us to observe.

T. M. PRICE, Pastor.

NAPA VOTES APPROPRIATION

Black Point Cut-Off is an Assured Fact

Boosters for the project were jubilant, Thursday afternoon, when the good news was ticked over the wires that the Board of Supervisors, of Napa county, had voted the asked-for appropriation of $65,000, which undoubtedly means that the Black Point "cut-off," so anxiously sought, will be secured.

Surveyers will at once be set te work, that an estimate may be furnished the State Highway Commissioners as to actual cost, and the amount yet to be made up.

This is great news for property-owners in this valley. It means more in increased valuations of and property sales, travel and general activity, than is yet realized. The seed has but been sown, with the assurance of luxuriant growth of greater prosperity developing, filling Sonoma Valley's Golden Horn of Plenty with an abundant harvest.

SALOON LICENSE REVOKED

When the Board of City Trustees convened in special session, Monday night, a large crowd was in attendance, in anticipation of interesting proceedings.

The business in hand was the arraignment of L. Pollini of the Sonoma House, and John Mazza of the Depot Saloon, charged with selling liquor to minors. The complaints had been sworn to by Deputy Sheriff Ryan, as a result of direct evidence obtained by that alert officer.

With Mayor M. E. Cummings in the chair, the evidence obtained against Pollini was considered, convincing the Trustees of the guilt of the defendant. Attorney Frank Sprague appeared in Poliini's behalf, making an eloquent plea, not for the saloon-keeper but for the property-owner, Peter Lorenzi. Argument, touching upon the provisions of the Liquor Ordinance, which provides for fines for first and second offense, justifying the Board's dealing leniently with the defendant, was advanced by Lawyer Sprague.

The charge againt Mazza, for whom H. P. Mathewson appeared as counsel, did not admit of this plea. While it is true that this was the first complaint entered against him for the violation of municipal law, yet on two occasions Mazza had been in trouble; was arrested for selling liquor to Indians, and had difficulty with revenue officials. Moreover, the ordinance contains a provisional clause, reserving to the Trustees full power to act.

After arguing the point of law involved, the reputation of places of business and other facts in the case, the conclusion was reached that Pollini would be fined, but the license of Mazza revoked.

As was to be expected, the justice of this judgment has been questioned by a few, but, for the most part, meets with general public approval. During the interim following the preferrment of charges and Monday night's trial, the public pulse had been felt, so to speak, by the Trustees, who found that the sentiment of the people favored consideration to the property-owner and the fining of his tenant in view of first offense, but strongly asking the revoking of Mazza's license.

The reputation of the Depot Saloon has been unsavory at all times, residents in the vicinity constantly complaining of the willful violation of law and order. The will of the people is and should be of paramount consideratson in municipal affairs of this nature, even were it to mean deviation from the letter of the law.

When, by vote, the people empower a set of men to manage a municipality, they aim to have that honorable body comprise men who may be relied upon to exercise careful judgment and discretion, not resorting to drastic measures unless absolutely warranted.

Pollini appeared before Justice Campbell, Tuesday, and paid the fine of $50 imposed.

Assessor's NOTICE

TO

Property Owners

All taxpayers are required by the constitution to make and deliver to the County Assessor annually a statement, under oath, setting forth specifically all the real and personal property owned by such person, or in his possession, or under his control, at 12 o'clock, M., on the first Monday in March.

Note—The assessment of property throughout the State of California is made during the months of March, April, May and June, and the law requires that each individual property holder file a statement with the assessor or his deputy during these months.

Personal Property

The Assessor must collect the taxes on all personal property when in his opinion said taxes are not a lien upon real property sufficient to secure the payment of the taxes. The Assessor or his deputy must collect such taxes at the time of making the assessment.

State, Poll and Road Tax

Are due on demand from all persons liable to same, between the 1st Monday in March and the 1st Monday in August. The amount is $3.00 each. If not paid by the 1st Monday in August, $1.00 is added, and the amount becomes $3.00 each.

All persons owning real estate that has heretofore been assessed to the wrong name, or those who have purchased real estate within the past year, are requested to appear with their deeds at the Assessor's office or to the deputies, during the months of March, April and May, and have the changes made.

Will those having fruit trees or vines kindly enumerate the same, giving number and age of each kind, so as to save time when the deputy assessor calls.

Any desired information relative to assessments will be furnished upon application at the county assessor's office, Court House, Santa Rosa.
